1	Wide shot of the galaxy. Space ship comes into frame. Cut to:		
2	View of the galaxy from inside the cockpit. A HUD of the galaxy map is already visible.	<p>Captain's V.O. "Ok crew, prepare yourselves. Where we're headed..."</p>	

3	Exterior of ship going into hyperspace.	Captain's V.O. "...everything's a little more appealing."	
4	View from cockpit as spaceship comes out of hyperspace and lands on the dPOP planet: a big, multi-colored gas giant similar to Jupiter, but ten times the size. A HUD Overlay reads: "dPOP! Planet" and shows company stats.	Captain's V.O. "This is the dPOP planet - experts in the design of creative, collaborative workspaces... and colorful spaceships. But let's take a closer look at how it all works."	

6	<p>Snap zoom out to a medium shot of the planet and an X-Ray HUD shows what's going on behind the clouds. We see the spaceships flying through the clouds are being analyzed by a swarm of little "bots" w/ lazer scanners.</p>	<p>Captain's V.O. "dPOP doesn't just give spaceships any old design. They actually analyze the culture of a ship's crew..."</p>	
7	<p>Cut to: close up of a ship filled with pirates. It exits the clouds and is tricked out with pirate designs (skull in crosbones, black flags, etc.). It does a celebratory flip and zips away at the speed of light.</p>	<p>Captain's V.O. "...and customize a design that is perfectly fitted to who they are. It's the dPOP 'secret formula.'" SFX: we hear pirates faintly cheering "yarrrr!"</p>	

8	<p>Cut to: view of the planet from inside the cockpit. Then- a leader video call feed is patched through and plays on the windshield.</p>	<p>Captain's V.O. "Let's see what the leader of the dPOP Planet has to say." dPOP! leader: "Welcome travelers, you're cleared to enter our orbit for cultural analysis. We recognize that each spaceship is unique and should reflect the culture and identity of its crew. We help the Family of Companies, as well as other intergalactic clients attract talent, foster productivity, creativity and collaboration through their spaces. Passionate, thoughtful, and provocative...that's dPOP.</p>	
9	<p>Exterior of space ship flying away to the dPOP Planet. Hold static wide.</p>	<p>Captain's V.O. "Why don't we see how we can improve our culture through our ship's workspace. Let's go!"</p>
